About Institute

Karnataka (Govt.) Polytechnic, Mangaluru

Karnataka (Govt.) Polytechnic, Mangaluru was established by Govt. Of Madras in the year 1946. The institution is working under Department of Collegiate & Technical Education, Government of Karnataka and affiliated to AICTE, New Delhi with the intake of 460 students per year. The institute currently offers Diploma in eight disciplines such as Mechanical Engineering, Civil Engineering, Computer Science & Engineering, Electronics and Communication Engineering, Automobile Engineering, Electrical and Electronics Engineering, Chemical Engineering and Polymer Technology.

The campus is spread over 19 acres situated at Kadri hills in the NH-66 highway, Mangaluru Town. The institution has well equipped laboratories and highly qualified and dedicated teaching staff and supporting staff. The institution has bagged overall championship for the record 25 times in the State level polytechnic sports meet. The institution is having student friendly environment and very good nature in the campus. The institution has achieved 100 percent placement in placing students to many reputed companies.

About ISTE

The Indian Society for Technical Education (ISTE) is the leading National Professional non-profit making Society for the Technical Education System in our country with the motto of Career Development of Teachers and Personality Development of Students and overall development of our Technical Education System. At present, ISTE has a very large and an effective membership base consisting of more than 1,40,000 Life Members, 7,00,000 Student Members, 2706 Institutional Members (including IITs, IISc, NITs and other leading technical institutions), 1400 Faculty Chapters and 1500 Students Chapters and 18 Sections throughout the country and 2 sections outside the country.

ISTE has instituted various awards for students and teachers of different technical institutions apart from offering support to organize seminars, conferences and workshops.

Objectives of State Convention
